K Div Update 2022 02 14 @ 11:30 hrs

Ongoing information subject to change.

Arrests: 11 individuals. Seized: 13 Long Guns; 2 Handguns; Several Ballistic Vests; a machete and 1000's of rounds of ammunition.

Investigation is ongoing and updates will follow as Criminal Organization is investigated. Investigative steps planned for remained of day these include additional arrest of key players, seizure of property and the unravelling of vehicles at the road blocks. Priority remains to deal with people first and then vehicles.

GOA is working on its injunction which should provide assistance in keeping the area free of other protests from POE to Milk River.

Will see an increasing need for specific RCMP resources to maintain a secure and safe perimeter while the blockade is disassembled at the main site and then Checkpoint 10 and 5 for next 3-4 days. GOA has now supplied 6 tow trucks of various sizes and a site has been prepared to tow vehicles too. Much appreciated by investigative team as a lack of towing equipment has allowed this to become entrenched. Lots pf planning involved.

Main Site 43 vehicles. Saloon 30 vehicles. CP10 200 Vehicles and CP 5 40 vehicles.

Intel is monitoring risk to operation.

Communication is preparing a media release.

No picture of firearms is available as investigation is still continuing.
